MEMORANDUM

SUBJECT: Response to November 13, 2001 request for documents regarding violations of the PSD increments

FROM: Megan Williams, Environmental Engineer, EPA Region 8 *Megan Williams*

TO: Scott Fry, Organizer (Energy), Dakota Resource Council

As we discussed today on the phone, enclosed are recent correspondence documents between EPA and the State of North Dakota. This should cover the time period since the May 29, 2001 Information Notice publication (66 FR 29127). I understand your office has a copy of the docket for that notice so this should get you up to date on the issues. After reviewing these materials, if you have any questions or need any additional information, feel free to call me at (303)312-6431.
